Club News

Volunteer of the Year

Those in attendance at our November Club meeting selected KG6NUO, Dave Anderson as the Los Banos Radio Club's Volunteer of the Year. Dave's selection resulted from recognition of his club activities. Those activities were: Chairing the May Day Parade communications effort, Chairing the Club's Field Day operation, liaison with the City of Los Banos and setting up the Club's new repeater on 146.805. Congratulations, Dave. Well done, OM.

Field Day Results

Our Field Day effort placed us just below the middle of the pack in our category. Our score placed us 67th in a group of 111 entries in the One Alpha (1A) category. This is a good showing, considering the fact that ours was a more "social" than a serious "contest" style operation. Moreover, our operation closely resembled how a true emergency operation might actually look. Finally, the Pacheco Park site gave us good public visibility. So, congratulations, Gang. That was a good show!

Volunteers Needed

Parade sponsors have requested the Club's communications help for the annual Christmas Parade on Friday, December 2nd. Initial indications are that anywhere from 2 to 6 people will be needed. Please contact Dave Anderson, KG6NUO if you are available to help.

Club QSL Card

Shown below is the Club's new QSL card. It was designed by W6YD and is being reproduced by KG6NUO. In addition to normal QSL information, the reverse side contains a short paragraph about Henry Miller's involvement in the founding of the City of Los Banos.
