Editor's Comments

Looking back, I came to the sudden realization that I have been serving as Editor of *The Frequency* going on to six years now. Over the course of those years, I have also received a number of accolades for what we've done and how the paper looks. Truth be known, though, it's not just me, who deserves the credit. There are many people who contribute to the content.

Similarly, there are many who contribute to the success of the Club, in general. The Los Banos Amateur Radio Club is and will only be as

successful as the members who participate in the Club's activities. So this is your editor's "hat's off" to everyone who contributes to the success of both the Club and its newsletter. Thank you, one and all for your help and participation.

Very 73,
George - W6YD
